Failure to follow the curfew will result in immediate removal from the LAN without refund.

All general prize drawings organized by the event administrators are open to anyone attending the LAN unless otherwise specified. To participate in the drawing a ticket can be requested at the registration desk. A person is eligible for only one ticket. The ticket owner must be present to win. A person can win up to one time.

- Prize drawing winners will make themselves available for photos as per sponsor's requirements.
- Failure to follow these guidelines will result in immediate disqualification.
- The possession of alcoholic beverages or firearms at the Event and venue property is prohibited.

CHEATING:

LANFest has zero tolerance for cheating! Cheating is defined as but not limited to: cheat codes, exploits, debug version game kernels or libraries, hardware modifications designed to upset game balance, excessive ping of network devices or computers to in any way reduce network bandwidth or increase latency. If you are caught cheating during any tournament match, it will result in the forfeiture of the game, and disqualification from all remaining tournaments/games and removal from the site.

ACTS OF VIOLENCE:

Acts of violence will NOT be tolerated! Intentional damage to the property, other guest's computers, staff property, network equipment, and items belonging to sponsors, is grounds for immediate removal from the event without refund. The LANFest staff reserve the sole right to define what is and what is not a violent act. No weapons of any kind are allowed at LANFest, this includes play toy weapons, paintball markers, Airsoft guns, etc.

LANFest does not, under any circumstances condone any type of illegal activity whatsoever, including but not limited to the copying of illegal software, MP3s or distribution of pornographic material to minors. Each individual is solely responsible for the software / files and the copyright laws associated with items that are located on their machine. HACKING:

LANFest does not tolerate hacking of any kind under any circumstance. Hacking of computers, network devices, DoS attacks, viruses, backdoors or anything of the sort is grounds for immediate dismissal from the LANFest party without refund and can lead to banning said player from all future events.

INTERNET CONNECTIVITY

Some games are more reliant on the quality and consistency of our Internet connection than others. Although the Hosts will certainly do everything in their power to keep the Internet working properly, some circumstances are simply beyond the Hosts' control. Please be aware of the possibility that an Internet problem could render your game of choice unplayable. Keep this in mind when entering tournaments -- **an internet outage/issue is not necessarily grounds for a refund**. You assume the risk when you buy a ticket.

Game Type: Always Connected: These games do not take advantage of the LAN at all, and use the Internet connection for all traffic. This means that these games will not benefit from our speedy network, and if there is an Internet issue, these games are likely to become unplayable. Any issues with the Internet should be reported to the staff - we will do everything in our power to fix your problem!

Game Type: Partial Internet: These games send the majority of their traffic over the network and usually provide a low-latency, high-quality experience. However, they still use Internet for tasks such as authentication or anti-cheating software, so they may be affected by the Internet in certain situations. Gameplay smoothness and latency in these games are better at a LAN party!

Game Type: 100% LAN: These games run on the network alone, no Internet required. This means that they should remain unaffected in the event of an Internet issue, and they also get the full LAN benefit of lower latency, allowing for the smoothest game experience. These games are amazing at LAN parties!

OFFICIALS:

LANFest Officials along with Sponsors execute all facets of the LAN Party and Tournament. LANFest Administrators and Sponsors reserve the right to require any Participant to replay any match for any reason, at their sole discretion and to disqualify any participant who fails to follow the Official Rules, makes any misrepresentation relative to the Tournament and/or the redemption of prizes, tampers with the entry process or the operation of the Tournament or Web Site, acts in violation of the Official Rules, acts in an unsportsmanlike or disruptive manner or acts with intent to annoy, abuse, threaten or harass any other person(s). To ensure that players have played according to the Official Rules, Tournament Officials will review ALL game play during the Tournament. Decisions by Tournament Officials are FINAL. All prize winners will be identified on site at the Event.

Sponsors and/or LANFest Administrators are not responsible for any inaccurate information, whether caused by the Official Web Site or by the Web Site users or by any of the equipment or programming associated with or utilized in the event or the Tournament or by any technical or human error which may occur in the processing of Tournament results.
